

## Caravan Spares & Accessories

Should you need any spares or accessories during your stay, we keep a small supply in reception - such as tap adapters & toilet chemicals - but if you need something more substantial, there are several options locally.

### Davan Caravans & Motorhomes

Goosey Lane, St Georges,  
Weston-s-Mare, BS22 7XA  
01934 510 606

One of the regions largest dealers of new & pre-owned caravans, motorhomes & accessories. They are likely to have what you need, or be able to order it during your stay. About 40 minutes from the park & on the way to Weston-super-Mare for a day out.

### Highbridge Caravan Centre

A38 Bristol Road, Highbridge,  
Somerset, TA9 4EX  
01278 782 725

### Caravan Repairs South West

### Caravan Repairs South West

Marchants Hill Farm, Gurney Slade,  
Bristol, BA3 4TY  
01749 841 051  
[www.caravanrepairs-sw.co.uk](http://www.caravanrepairs-sw.co.uk)

A local caravan repair & servicing firm, but with a well stocked accessories shop. About 20 minutes from the park & on the way to Shepton Mallet. You may want to ignore sat nav & stay on the A368 until it joins the A37 at the roundabout. The road through Stowey is too narrow for large vehicles.

## On-site Caravan Repairs

Should you need any repairs during your stay, there are some local technicians who can often come to the park & help.
